## **V. Selection Process**

### **V.1.** First meeting:

**V.1.1.** The Selection Committee decides, first, on the admission and exclusion of applications. In case of non-fulfilment or partial fulfilment of any of the requirements defined in section **III.** above, the Committee decides whether this insufficiency prevents accepting the application, or if having no relevant impact on the evaluation process, the application may nevertheless be accepted.

**V.1.2.** After deciding on the admission and exclusion of candidates, the Committee begins the procedures relating to the phased application of the selection methods. First, it assesses the scientific background and CV of all the admitted candidates. The merit of the candidates will only be assessed based on their previous experience in the scientific area(s) for which the tender is open, according to the selection criteria and evaluation parameters described in this public notice. The candidates' merit and experience in other areas shall not therefore be taken into consideration by the Committee. The ranking of the candidates in the ABC method is based on the scores given to each candidate.

**V.1.3.** Candidates both excluded and admitted to the interview shall be notified by Public Notice, under the terms mentioned below in section **VI.**

### **V.2.** Second meeting:

**V.2.1.** The Selection Committee conducts the interview with the admitted candidates, which shall have the maximum duration of one hour, although the Chairman of the Committee may decide to extend it further for a period of 30 minutes. The Committee shall only consider the merit of the candidates based on their experience in the scientific area(s) for which the tender is open. The interview is conducted by the Chairman of the Committee, although other committee members may also interact with the candidate. This interview shall be held in Portuguese, unless the candidate or any members of the Committee are not proficient in that language. In this case, it may be conducted in English, upon decision of the Chairman.

**V.2.2.** Candidates who fail to attend the interview at the set time and place shall be excluded from the tender procedure. Similarly, candidates failing to attend a duly scheduled teleconference call shall also be deemed excluded.

**V.2.3.** After conducting and scoring the interviews, the Committee calculates the final score and ranks the candidates approved in both methods by applying the formula defined above in **IV.7**.

**V.2.4.** The notification of the draft's final decision to the candidates, which contains the list with the proposed ordering of the successful candidates as well as the list of the excluded candidates, is made according to the terms of point **VI** of this notice.

**V.3.** Candidates can, if they so wish, appeal the decision of the Committee, in due respect for their right to a fair hearing, pursuant to Article 121 of the Código do Procedimento Administrativo [CPA - Code of Administrative Proceedings]. The period to submit an appeal begins on the day the public notice with the Selection Committee's deliberation is published, pursuant to paragraph 8 of Article 113 of the CPA.

**V.4.** Third meeting:

**V.4.1.** If any of the candidates exercises their right to be heard, the Selection Committee shall hold a third meeting in order to analyze the request, and the candidates will be notified of its deliberations, under the terms of section **VI** herein.

**V.4.2.** If the Selection Committee finds the candidates' allegations well founded, it shall proceed according to its deliberations, thereby notifying the candidates under the terms of **VI.3** herein.

**V.4.3.** If the Selection Committee finds such allegations unfounded, following the candidates' notification under the terms of **VI.3** herein, the procedure shall then be submitted to the Rector for approval.

**V.5.** All the candidates will be notified regarding the approval decision under the terms of section **VI** herein. The administrative records of the tender may be consulted by the candidates, through prior scheduling, requested by sending an e-mail to the Human Resources Management Service e-mail address: [sgrh@uc.pt](mailto:sgrh@uc.pt).

## **VI. Tender timetable and notification of candidates**

The candidates are notified by public notice of the following acts, the dates of which must be included in the competition calendar: the list of admitted and excluded candidates; the date, place and identification of the selected candidates for the interview, as well as, among them, the identification of the candidates to whom the President of the Jury has granted the interview by teleconference; the draft final decision of the competition; the decisions regarding eventual allegations of the candidates and, the final result of the competition, after homologation. It is mandatory that the tender timetable include the dates of publication of Public Notices.

**VI.2.** If any of the terms established in the timetable of the tender procedure cannot be met, an updated timetable will be published on that same date on the University of Coimbra website, replacing the previous one. If the interview cannot
